PRESIDENT ADDRESS

PRESIDENT SPEECH FOR THE 29TH ANNUAL GENERAL MEETING OF INDIAN FILM AND TV PRODUCERS COUNCIL TO BE HELD ON 10th December 2020 AT 4.00 PM THROUGH VIRTUAL MEANS.

Dear Members,

It is my pleasure to welcome you all to the 29th Annual General Meeting of IFTPC. The new strain of Corona virus, COVID-19 invaded the entire world killing thousands of people and affected lacs of persons. The COVID tremors were widespread and it wrecked our lives like never before. The entire country was locked down since March 22 as a precautionary measure. All life including the business activities came to standstill. Our industry was closed on 17th March 2020 and resumed shootings with restrictions from 23rd June 2020. Thousands of industry workers were rendered jobless overnight. The fear of Corona and poverty forced the workers to migrate back to their home state. It was a heart churning scenario and a universal shock.

The resumption of shoot was very essential for the survival of the poor section of workers. Our team led by Mr. JD Majethia toiled day and night and opened discussion with governmental authorities and after a long struggle of more than three months the Maharashtra Government finally allowed the shooting to resume from 23rd June albeit with several pre-conditions which we accepted as it was essential for safety of our crew. Your Council was in forefront in framing the SOP for shooting and was in continuous dialogue with Government of Maharashtra. For the first time all the workers were provided with Covid specific insurance cover of Rs. 25 lac for death and 2 lacs for treatment. Several vertical meetings with specialists and doctors were arranged for the benefit of members. Importantly even after more than 6 months of the resumption of shoots, few positive cases were detected among the 12500 odd workers, amply testifying the diligence with which industry embarked on shoots.

Many members came forward to lend their services in these difficult times. I sincerely appreciate all of them. It was also heartening to note that many industry stalwarts rose to the occasion to donate substantially to workers directly and to the PM Cares Fund. The bonhomie was great among all of us. The hitherto lurking generosity surfaced and truly proved that the industry truly believed in *sarve sukhina bhavantu*. Your Council also engaged itself in the humanitarian cause by launching Cine Workers Relief Fund in association with Producers Guild of India. An amount of Rs. 18.75 million was collected and promptly distributed among more than 6000 workers @ 3000 rupees per person. Our trust-Motion Picture & TV Producers Welfare Trust also helped many needy, sick and old members of trade in cash relief. It also deposited Rs. 5000 each into the accounts of several daily wage workers. We also distributed food bags to junior artistes. Moreover, we also ensured that more than 6500 workers got their wages for part of the lockdown period.

There are many challenges ahead and your Council is seized of the same and is confident of clearing all hurdles with your support and co-operation. The Pandemic has changed our lives but I am confident that we will evolve and adapt to the new situation. The pandemic has ushered in some novel changes in our system such as Work from Home, our approach to hygiene, our behaviour towards consumption and family values. People have also started to devour homemade foods and many of us have developed culinary skills. I wish you all luck.

The year was truly disastrous when many members of the fraternity lost their lives. Notably among them were Irfan Khan, Rishi Kapoor, Bala Subramaniam and controversial suicide of Sushant Singh Rajput. I pay my respects to all the departed souls.

Thank You.
